General Information

Am I Eligible

Bryant University requires all full-time Domestic and international students to be enrolled in a health insurance plan while attending the University. An eligible student must actively attend classes for at least the first thirty-one (31) days of the period for which coverage is purchased.

Domestic Students

All full-time Domestic Students, taking 12+ credit hours, are eligible to enroll in this Student Health Insurance Plan on a voluntary basis. Eligible domestic students who wish to enroll must complete the enrollment process by the enrollment deadline date.

International Students

All International Students, taking 1+ credit hours, will be automatically enrolled in the Student Health Insurance Plan and the cost for the coverage will be added to the student's tuition fees unless proof of comparable coverage is submitted by the waiver deadline date.

International Student Athletes

Coverage is mandatory for international student athletes. All international student athletes will be automatically enrolled in and charged for the Student Health Insurance Plan and are not eligible to submit a waiver.

Dependents

Dependents are not eligible.

How Do I Waive/Enroll?

To Waive or enroll in coverage:

Domestic Students

If you are a domestic student, you must complete the online enrollment form. The deadline for submitting the online enrolment form is **10/31/2022** for students enrolling in the fall term and **02/15/2023** for students newly enrolling in the spring term.
