NATIONWIDE LIFE INSURANCE COMPANY
COLUMBUS, OHIO

Effective September 1, 2005 to September 1, 2006

IMPORTANT NOTICE

This brochure provides a brief description of the important features of the Policy. It is not a Policy. Terms and conditions of the coverage are set forth in the Policy. We will notify Covered Persons of all material changes to the Policy. Please keep this material with your important papers.

NONDISCRIMINATORY

Health care services and any other benefits to which a Covered Person is entitled are provided on a nondiscriminatory basis, including benefits mandated by state and federal law.

HEALTHCARE VALUE MANAGEMENT, INC. (HCVM) PREFERRED PROVIDER NETWORK

By enrolling in this Insurance Program, you have the HCVM Preferred Provider Network available to You and Your Dependents, if any, throughout Massachusetts, providing access to quality health care at discounted fees. A complete listing is available at www.hcvm.com

A Preferred Provider may require a Covered Person to pay an annual fee for inclusion within the Preferred Providers panel of patients. Any services that are represented to be a part of the Preferred Provider's annual service agreement are part of that separate agreement and are not part of this Insurance Program.

THE PROGRAM DOES NOT REQUIRE YOU TO USE A PREFERRED PROVIDER, but if a Covered Medical Expense is incurred through a Preferred Provider, the Program will pay:

- For covered Doctor's office visits, including Licensed Mental Health Professionals, 100% of the fees after payment of a \$10 Copayment per visit. Office visits are paid under the Outpatient Miscellaneous benefit which has a \$1,500 maximum.

If a Preferred Provider is not available in a particular area or specialty, the Policy will cover at the Preferred Provider level until a provider has been added.

Coverage will be provided at the Preferred Provider level for a provider who is not a Preferred Provider for the first 30 days from the effective date of coverage if a Covered Person is undergoing an ongoing course of treatment or the provider is the Covered Person's primary care provider.

If the Covered Person is a female who is in her 2nd or 3rd trimester of pregnancy and whose provider in connection with her pregnancy is involuntarily disenrolled, other than disenrollment for quality-related reasons or fraud, treatment will be allowed with said provider, according to the terms of the Policy, for the period up to and including the Covered Person's first postpartum visit.

If a Covered Person is terminally ill and the provider in connection with said Sickness is involuntarily disenrolled, other than for quality related reasons or fraud, the Covered Person will be allowed to continue treatment with said provider, according to the terms of the Policy, until the death of the Covered Person.

Continued coverage is conditioned upon the provider agreeing to:

- Accept reimbursement at the rates applicable prior to notice of disenrollment as payment in full and not to impose cost sharing with respect to the Covered Person in an amount that would exceed the cost sharing that could have been imposed if the provider had not been disenrolled; and

- Adhere to the Policy's quality assurance standards and to provide necessary medical information related to the care provided; and
- Adhere to Our policies and procedures.

Physician profiling information may be available from the Board of Registration in Medicine for physicians licensed to practice in Massachusetts.

We will provide coverage for pediatric specialty care to Covered Persons requiring such services, including mental health services, by a person with recognized expertise in specialty pediatrics.

Massachusetts Community Colleges has directories listing HCVM Preferred Providers or call HCVM at (800) 922-4286 or a complete listing is available at www.hcvm.com.

If You are eligible for coverage and wish to enroll in the Program after these enrollment opportunities, You must present documentation from Your former insurance company that it is no longer providing You with personal accident and health insurance coverage. Your effective date under this Program will be the date Your former insurance expired, if You make the request for coverage within 31 days after it expires. Your premium for this coverage must accompany the request.

Students withdrawing after such 31 days will remain covered under the Policy for the full period for which premium has been paid and no refund will be allowed.

Covered Persons entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro-rata refund of premium will be made for such person upon written request received by the Company within 90 days of withdrawal from school. Refunds for any other reason are not available.

TERMINATION OF COVERAGE

Your coverage will terminate on the earliest of one of the following: upon entry into the armed forces of any country; or the end of the coverage period for which premium was paid; or the date the Policy terminates. Eligible dependents are the spouse and unmarried children under 19 years of age or 23 years, if a full-time dependent student at an accredited institution of higher learning, who are not self-supporting. Your Dependents will be covered for the same benefits for which You are covered. Dependent coverage, if any, begins and ends with Your coverage.

A Dependent newborn child will be automatically covered under the Policy from the moment of birth until the 31st day following birth. During the 31-day period, we must receive written notice of the birth and the required premium must be paid.

Coverage for newly born infants and adoptive children shall consist of Injury or Sickness including the necessary care and treatment of medically diagnosed congenital defects and birth abnormalities or premature birth including the cost of a newborn hearing screening test to be performed before the newborn infant is discharged from the hospital or birthing center to the care of the parent or guardian or as provided by the regulations of the department of public health.

EXTENSION OF BENEFITS AFTER TERMINATION

The coverage provided under the Policy ceases on the Termination Date. However, if a Covered Person is hospital confined on the

Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the Termination Date.

The total payments made in respect of the Covered Person for such condition both before and after the Termination Date will never exceed the Maximum Benefit. After this Extension of Benefits After Termination provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

CONTINUATION PRIVILEGE

Insured Persons who become ineligible for coverage due to leaving the school due to graduation, reduction in credit hours, or for other purposes, may continue their coverage by timely payment of premium for up to 3 months from the date of ineligibility unless within the period for which this provision is in effect, the Insured Person shall otherwise be entitled to similar benefits.
