STUDENT COVERAGE

ELIGIBILITY

All traditional undergraduate students at Trinity College are automatically enrolled in and charged for the Student Health Insurance Plan unless they show proof of comparable insurance by completing an online Waiver Form. Students who attend classes in the Fall 2011 Semester and do not submit a waiver will be insured from **August 15, 2011**, through **August 14, 2012**. Students who only attend classes in the Spring 2012 Semester and do not submit a waiver will be insured from **January 1, 2012**, through **August 14, 2012**.

Graduate Students, Graduate Assistants, and IDP Students are eligible to enroll on a voluntary basis and are not automatically enrolled. In order to be eligible, students must be matriculated and enrolled in a minimum of two classes.

Home study, correspondence, Internet classes, and television (TV) courses do not fulfill the eligibility requirement that the student actively attend classes. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

ENROLLMENT

Eligible undergraduate students will be automatically enrolled in this plan, unless the Online Waiver Form has been completed by the specified waiver deadline dates listed in the next section of this Brochure.

Exception: A **Covered Person** entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro rata refund of premium will be made for such person, and any **covered dependents**, upon written request received by Aetna within 90 days of withdrawal from school.

The availability of a particular provider(s) cannot be guaranteed and network composition is subject to change.

REFERRAL REQUIREMENT

Students' health care needs can best be satisfied when an organized system of health care providers at Trinity College Health Center manages the treatment. GENERAL PROVISIONS

STATE MANDATED BENEFITS

The Plan will pay benefits in accordance with any applicable Connecticut State Insurance Law(s).

SUBROGATION/REIMBURSEMENT

RIGHT OF RECOVERY PROVISION

Immediately upon paying or providing any benefit under this Plan, Aetna shall be subrogated to all rights of recovery a **Covered Person** has against any party potentially responsible for making any payment to a **Covered Person**, due to a **Covered Person**'s Injuries or illness, to the full extent of benefits provided, or to be provided by Aetna. In addition, if a **Covered Person** receives any payment from any potentially responsible party, as a result of an Injury or illness, Aetna has the right to recover from, and be reimbursed by the **Covered Person** for all amounts this Plan has paid, and will pay as a result of that **Injury** or illness, up to and including the full amount the **Covered Person** receives, from all potentially responsible parties. A "**Covered Person**" includes for the purposes of this provision, anyone on whose behalf this Plan pays or provides any benefit, including but not limited to **Covered Person**, entitled to receive any benefits from this Plan. As used in this provision, the term "responsible party" means any party possibly responsible for making any payment to a **Covered Person** or on a **Covered Person**'s behalf due to a **Covered Person**'s Injuries or illness or any insurance coverage responsible making such payment, including but not limited to:

- Uninsured motorist coverage,
- Underinsured motorist coverage,
- Personal umbrella coverage,
- Med-pay coverage,
- Workers compensation coverage,
- No-fault automobile insurance coverage, or
- Any other first party insurance coverage.

The **Covered Person** shall do nothing to prejudice Aetna's subrogation and reimbursement rights. The **Covered Person** shall, when requested, fully cooperate with Aetna's efforts to recover its benefits paid. It is the duty of the **Covered Person** to notify Aetna within 45 days of the date when any notice is given to any party, including an attorney, of the intention to pursue or investigate a claim, or to recover damages, due to injuries sustained by the **Covered Person**.

The **Covered Person** acknowledges that this Plan's subrogation and reimbursement rights are a first priority claim against all potential responsible parties, and are to be paid to Aetna before any other claim for the **Covered Person**'s damages. This Plan shall be entitled to full reimbursement first from any potential responsible party payments, even if such payment to the Plan will result in a recovery to the **Covered Person**, which is insufficient to make the **Covered Person** whole, or to compensate the **Covered Person** in part or in whole for the damages sustained. This Plan is not required to participate in or pay attorney fees to the attorney hired by the **Covered Person** to pursue the **Covered Person**'s damage claim. In addition, this Plan shall be responsible for the payment of attorney fees for any attorney hired or retained by this Plan. The **Covered Person** shall be responsible for the payment of all attorney fees for any attorney hired or retained by the **Covered Person** or for the benefit of the **Covered Person**.

The terms of this entire subrogation and reimbursement provision shall apply. This Plan is entitled to full recovery regardless of whether any liability for payment is admitted by any potentially responsible party, and regardless of whether the settlement or judgment received by the **Covered Person** identifies the medical benefits this Plan provided. This Plan is entitled to recover from any and all settlements or judgments, even those designated as "pain and suffering" or "non-economic damages" only.

In the event that any claim is made that any part of this subrogation and reimbursement provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the **Covered Person** and this Plan agree that Aetna shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

NON-DUPLICATION OF BENEFITS

This provision applies if a **Covered Student**:

- a) Is covered by any other group or blanket health care plan, and
- b) Would, as a result, receive medical expense or service benefits in excess of the actual expenses incurred.

In this case, the medical expense benefits Aetna will pay will be reduced by such excess. This provision will not apply if any portion of the premium for this plan is paid for by the **Covered Student** or parent.

EXTENSION OF BENEFITS

If Basic Sickness Expense, Supplemental Sickness Expense or Major Medical Expense coverage for a **Covered Person** ends while he or she is **totally disabled**, benefits will continue to be available for expenses incurred for that person only while the **Covered Person** continues to be **totally disabled**. Benefits will end at the earliest to occur of:

- The date the **Covered Person** is no longer totally disabled; or
- The date any maximum benefit is reached.

If a **Covered Person** is confined to a **hospital** on the date his or her Basic Sickness Expense or Supplemental Sickness Expense coverage terminates, charges incurred during the continuation of that **hospital confinement** or for that treatment of the covered condition shall also be included in the term "Expense" but only while they are incurred during the 90-day period following such termination of insurance.

TERMINATION OF INSURANCE

Benefits are payable under This Plan only for those **Covered Medical Expenses** incurred while the policy is in effect as to the **Covered Person**. No benefits are payable for expenses incurred after the date the insurance terminates, except as may be provided under the Extension of Benefits provision.

TERMINATION OF STUDENT COVERAGE

Insurance for a **Covered Student** will end on the first of these to occur:

- a) The date This Plan terminates,
- b) The last day for which any required premium has been paid,
- c) The date on which the **Covered Student** withdraws from the school because of entering the armed forces of any country. Premiums will be refunded on a pro-rata basis when application is made within 90 days from withdrawal, or
- d) The date the **Covered Student** is no longer in an eligible class.

If withdrawal from school is for other than entering the armed forces, no premium refund will be made. Students will be covered for the Policy term for which they are enrolled, and for which premium has been paid.

- As to diagnosis, care, and treatment, be no more costly (taking into account all health expenses incurred in connection with the treatment, service, or supply), than any alternative service or supply to meet the above tests.

In determining if a service or supply is appropriate under the circumstances, Aetna will take into consideration:

- Information relating to the affected person's health status,
- Reports in peer reviewed medical literature,
