

# Blue Care Elect Preferred<sup>SM</sup> (PPO)

## Summary of Benefits

University of Massachusetts Lowell  
2011-2012 Student Blue Plan

 This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that will be effective January 1, 2011, as part of the Massachusetts Health Care Reform Law.

# Your Choice

## When You Choose Preferred Providers.

Generally, you have full coverage for most hospital, physician, and other provider covered services. And, for some outpatient services, you pay a **\$20** copayment for each visit.

Please note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you use is not a preferred provider, you're still covered, but your benefits will be covered at the out-of-network level, even if the preferred provider refers you.

## How to Find a Preferred Provider.

There are several ways to find a preferred provider:

- Look up a provider in the Provider Directory. If you need a copy of your directory, call Member Service at the number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at [www.bluecrossma.com](http://www.bluecrossma.com) for Massachusetts providers.
- Visit the BlueCard® Provider Finder website at <http://provider.bcbs.com>.
- Call the BlueCard Program at **1-800-810-BLUE (2583)**, 24 hours a day, seven days a week.

## When You Choose Non-Preferred Providers.

**Your deductible is calculated on a plan-year basis.**

Your plan-year deductible begins on August 1 and ends on July 31 of each year. The deductible is **\$250** for each member. After you have met your deductible, you pay **20 percent** co-insurance for most out-of-network covered services. When the money you pay for the **20 percent** co-insurance equals **\$1,000** for a member in a plan year (or **\$2,000** per family), benefits for that member (or that family) will be provided in full for those covered services for the rest of that plan year. In Massachusetts, payments to non-preferred providers are based on the allowed charge. Please be aware that this means you may still be responsible for any difference between the allowed charge and the provider's actual charge.

## Emergency Room Services.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a **\$100** copayment per visit for in-network or out-of-network emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay. There is no deductible for these services.

## Utilization Review Requirements.

You must follow the requirements of Utilization Review, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Home Health Care, and Individual Case Management. If you need non-emergency or non-maternity hospitalization, you or someone on your behalf must call the number on your ID card for pre-approval. Information concerning Utilization Review is detailed in your subscriber certificate and riders. If you do not notify Blue Cross Blue Shield and receive pre-approval, your benefits may be reduced or denied.

## Dependent Benefits.

This plan covers dependents up to age 26, regardless of the dependent's financial dependency, student status, or employment status. Please see your subscriber certificate (and riders, if any) for exact coverage details.

## Domestic Partner Coverage.

Domestic partner coverage may be available for eligible dependents. Contact your plan sponsor for more information.
