INTRODUCTION

Hospitalization, surgery and accompanying medical expenses are at an all-time high. Many students are not prepared to meet the added cost of an unexpected Accident or Sickness. Costly medical bills can impose tremendous hardship, and even necessitate withdrawal from school. The College is concerned with the health and well-being of its students. Student Fixed Indemnity Accident and Sickness insurance is designed to provide low-cost coverage for unanticipated medical expenses. Please read the provisions of this insurance plan carefully.

ELIGIBILITY

All students enrolled for a minimum of 6 credit hours are eligible for this insurance plan. Home study, auditing scholars and other non-traditional students do not qualify as a student for the purposes of purchasing coverage. The company maintains the right to investigate student status and attendance records to verify if eligibility requirements have been met. Eligible persons may enroll in the insurance plan annually or within 30 days of matriculation.

TERM OF COVERAGE

The policy for the current year becomes effective on 8/22/15 at 12:01 a.m. and expires on 8/21/16 at 12:01 a.m. Coverage remains in effect during holiday and vacation periods. Should an Insured person graduate or withdraw from the institution, the insurance shall remain in effect until the end of the period for which premium has been paid.

EXTENSION OF BENEFITS

If coverage under the policy ends while the Covered Person is totally disabled due to Injury or Sickness, we will pay benefits for covered services occurring after the date coverage under the policy as long as they meet the following requirements: a) the covered service must be rendered due to the same Injury or Sickness causing the Covered Person to be totally disabled on the date coverage ends; and b) the covered service must occur within 90 days after the date the Covered Person's coverage under the policy ends; and c) coverage must not have ended as a result of the Covered Person's voluntary termination of the coverage.

This extension of benefits terminates at the end of the 90-day period specified above.

COVERAGE

This Plan provides protection for Accident and Sickness 24 hours per day during the term of the Policy for each student insured.

This insurance pays in addition to other insurance the student may carry.

DEFINITIONS

Accident means an unforeseeable event that causes Injury to a Covered Person.

Coverage Period means the period of time described on the Schedule of Benefits.

Covered Person means any Eligible Person for whom coverage is in effect under the policy.

Critical Care Unit means a pre-designated and fixed medical/surgical care area within a Hospital that: a) is utilized exclusively for the treatment of patients who are there because of their acute and critical condition; b) provides continuous 24-hour monitoring of each patient's vital physiological responses; c) has emergency life-saving equipment and supplies that are immediately accessible; d) is staffed with nurses specially trained for duty in such an area; e) is not primarily a post-operative or post-anesthesia area.

Doctor means any duly licensed practitioner who is recognized by the law of the state in which treatment is received as qualified to perform the service for which claim is made.

Hospital means an institution operated by law for the care and treatment of injured or sick persons; has organized facilities for diagnosis and surgery or has a contract with another hospital for these services; and has 24-hour nursing service. Hospital excludes any institution that is primarily a rest home, nursing home, convalescent home, a home for the aged, a facility for treatment of alcoholism or drug addiction, or a facility for treatment of mental disorders.

Injury means accidental bodily Injury of a Covered Person: a) caused by an Accident; and b) that results directly and independently of Sickness, disease, or bodily infirmity in loss covered by the policy. All Injuries sustained in one Accident, including all related conditions and recurring symptoms of the Injuries, will be considered one Injury.

Inpatient means a Covered Person who is admitted to a Hospital on an inpatient basis and who is provided at least one day's room and board by a Hospital.

Insured means an Eligible Person for whom coverage is in effect under the policy.

Medically Necessary means the service or supply is: a) provided for the diagnosis, treatment, cure or relief of a health condition, Sickness, Injury or its symptoms; and b) necessary for and appropriate to the diagnosis or treatment according to the attending medical care provider.

Outpatient means a Covered Person who receives covered services while other than an Inpatient at a Hospital.

School means any facility under the management of the Policyholder which operates for the purpose of educating its students.

Sickness means Sickness or disease of a Covered Person that: a) is treated by a Doctor while the person is covered under the policy; and b) results directly and independently of all other causes in loss covered by the policy.

DESCRIPTION OF BENEFITS

Hospital Confinement Daily Income Benefit

We will pay the applicable Daily Benefit shown on the Schedule of Benefits when a Covered Person is confined as an inpatient in a Hospital if: a) the Hospital confinement is Medically Necessary; and b) the Covered Person is under a Doctor's care; and c) the Hospital confinement begins while the Covered Person is covered under the policy.

Payment of the applicable Daily Benefit will start on the first day of Hospital confinement and will continue for a period not to exceed the maximum benefit, as shown on the Schedule of Benefits, for each period of Hospital confinement.

Hospital Discharge Benefit

We will pay the applicable benefit shown on the Schedule of Benefits when a Covered Person is discharged from a Hospital if: a) the Covered Person was Hospital confined as an Inpatient for at least one day immediately before being discharged; and b) a Hospital Confinement Daily Income Benefit is paid for the same Hospital confinement; and c) the Covered Person is alive when discharged from the Hospital; and d) the Covered Person is under a Doctor's care.

Benefits for Hospital discharges will be paid up to the applicable maximum benefit, as shown on the Schedule of Benefits.

Surgery Benefit

We will pay the applicable benefit shown on the Schedule of Benefits when surgery is performed on a Covered Person if the surgery is: a) Medically Necessary; and b) performed by a Doctor; and c) performed while such person is covered under the policy.

Benefits for surgeries performed while the Covered Person is an Inpatient differ from those for surgeries performed while the Covered Person is an Outpatient, as shown on the Schedule of Benefits.

Benefits for any one surgery will not exceed the applicable per surgery benefit limit, as shown on the Schedule of Benefits. Benefits for all surgeries are subject to any applicable maximum benefit shown on the Schedule of Benefits.

Administration of Anesthesia Benefit

We will pay the applicable benefit amount shown on the Schedule of Benefits when a Covered Person is administered anesthesia, if the administration of anesthesia is: a) Medically Necessary; and b) performed by a Doctor; and c) performed while such person is covered under the policy; and d) billed directly by the provider and not as a service of a Hospital; and e) performed in conjunction with a surgery covered under the policy.

Benefits for anesthesia administered while the Covered Person is an Inpatient differ from those for anesthesia administered while the Covered Person is an Outpatient, as shown on the Schedule of Benefits. We will not pay benefits for more than one session of anesthesia per day for each Covered Person. Benefits

for the administration of anesthesia will be paid up to the applicable maximum benefit, as shown on the Schedule of Benefits.

Doctors' Visits Benefit

We will pay the applicable benefit amount shown on the Schedule of Benefits when a Covered Person visits a Doctor if the visit is: a) Medically Necessary; or b) for a medical consultation made by a Doctor whose advice or opinion is being requested by another Doctor; and c) made while the Covered Person is not an Inpatient in a Hospital; and d) made while such person is covered under the policy.

We will not pay benefits for more than one Doctor visit per day for each Covered Person. Benefits for Doctors' visits will be paid up to the maximum benefit, as shown on the Schedule of Benefits.

Emergency Room Visits Benefit

We will pay the applicable benefit amount shown on the Schedule of Benefits when a Covered Person visits a Doctor in an emergency room if: a) the visit is Medically Necessary; and b) the visit occurs while such person is covered under the policy; and c) the Covered Person is not admitted to the Hospital as an Inpatient from the emergency room.

We will not pay benefits for more than one visit to the emergency room per day for each Covered Person. Benefits for visits to the emergency room will be paid up to the maximum benefit, as shown on the Schedule of Benefits.

Additional Definitions - Wherever used in this benefit: "Emergency room" means a pre-designated and fixed medical/surgical care area within a Hospital that: a) treats patients on other than an Inpatient basis; and b) is utilized exclusively for the diagnosis and treatment of such patients' acute and/or critical conditions; and c) has emergency life-saving equipment and supplies that are immediately accessible; and d) is staffed with medical personnel specially trained for duty in such an area; and e) is not primarily a clinic, Doctor's office or free-standing surgical facility.

Diagnostic Laboratory Tests Benefit

We will pay the applicable benefit amount shown on the Schedule of Benefits when diagnostic laboratory tests are performed on a Covered Person if the test is: a) Medically Necessary; and b) performed while the Covered Person is not an Inpatient in a Hospital; and c) performed while such person is covered under the policy.

Benefits for diagnostic laboratory tests will be paid up to the maximum benefit, as shown on the Schedule of Benefits.

Diagnostic Radiology Tests Benefit

We will pay the applicable benefit amount shown on the Schedule of Benefits when diagnostic radiology tests are performed on a Covered Person if the test is: a) Medically Necessary; and b) performed while the Covered Person is not an Inpatient in a Hospital; and c) performed while such person is covered under the policy.

Benefits for diagnostic radiology tests will be paid up to the maximum benefit, as shown on the Schedule of Benefits.

We will pay the applicable benefit amount shown on the Schedule of Benefits when a Covered Person visits a Doctor for wellness care if the visit is: (a) made while the Covered Person is not an Inpatient in a Hospital; and (b) made while such person is covered under the policy. We will not pay benefits for more than one wellness care visit per day for each Covered Person. Benefits for wellness care visits will be paid up to the maximum benefit, as shown on the Schedule of Benefits.

Wherever used in this benefit: "**Wellness care**" means medical examinations and procedures that are preventative in nature and not for the treatment of an Injury or Sickness.

Ambulance Transportation Benefit

We will pay the applicable benefit amount shown on the Schedule of Benefits when a Covered Person travels to a Hospital in an ambulance if: (a) the trip is Medically Necessary; and (b) emergency care is required for the Covered Person's Injury or Sickness; and (c) the trip occurs while such person is covered under the policy; and (d) the Covered Person is admitted to the Hospital as an Inpatient within 24 hours after arrival at the Hospital.

We will not pay benefits for more than one ambulance trip per day for each Covered Person. Benefits for ambulance transportation will be paid up to the maximum benefit, as shown on the Schedule of Benefits.

Private-duty Nursing Care and Home Health Care Benefit

We will pay the applicable benefit amount shown on the Schedule of Benefits when a Covered Person receives private-duty nursing care or home health care if: (a) for private-duty nursing care, the session is: (1) Medically Necessary; and (2) received while the Covered Person is confined as an Inpatient in a Hospital; and (3) received while such person is covered under the policy; or (b) for home health care, the visit is: (1) prescribed by a Doctor; and (2) received while the Covered Person is not confined in a Hospital or nursing home; and (3) received while such person is covered under the policy.

We will not pay benefits for more than one private-duty nursing or home health care session per day for each Covered Person. All home health care services performed for a Covered Person at the same visit will be counted as one visit. We will not pay benefits for both a private-duty nursing care session and a home health care visit on the same day. Benefits for private-duty nursing care and home health care will be paid up to the applicable maximum benefit, as shown on the Schedule of Benefits.

Prescription Drug Benefit

We will pay the applicable benefit shown on the Schedule of Benefits when a Covered Person has a prescription filled or refilled by a pharmacist. The prescription must be for a drug that is: (a) prescribed by a Doctor; (b) legally obtainable from only a pharmacist; (c) Medically Necessary for the Covered Person's Injury or Sickness; (d) prescribed while the Covered Person is not an Inpatient in a Hospital; and (e) dispensed while such person is covered under the policy.

Benefits will be paid up to the applicable maximum benefit, as shown on the Schedule of Benefits.

EXCEPTIONS AND REDUCTIONS

No benefits will be paid for loss caused by or resulting from:

1. intentionally self-inflicted injuries, suicide or any attempt thereof while sane or insane;
2. declared or undeclared war or any act thereof;
3. the Covered Person's commission of a felony;
4. the Covered Person operating any vehicle while under the influence of alcohol or without being properly licensed and insured to do so;
