NONDISCRIMINATORY

Health care services and any other benefits to which a Covered Person is entitled are provided on a nondiscriminatory basis, including benefits mandated by state and federal law.

Benefit Enhancements

New for the 2012 – 2013 School Year

- Increased Prescription Drug benefit;
- Inclusion of wellness and preventive care benefits;
- Increased policy maximum benefit.

FIRST HEALTH NETWORK PREFERRED PROVIDER NETWORK

First Health Network is the Preferred Provider Network and provides access to providers located across the United States. To determine if a provider participates in First Health, students can call (800) 226-5116 or visit www.firstthehealth.com or www.universityhealthplans.com. It is important that Covered Persons verify that their providers are Preferred Providers each time they call for an appointment or at the time of service.

“Preferred Providers” are the Physicians, Hospitals and other health care providers who have contracted to provide specific medical care at negotiated prices.

“Preferred Allowance” means the amount a Preferred Provider will accept as payment in full for Covered Medical Expenses.

“Network Area” means the forty (40) mile radius around the local school campus the Named Insured is attending.

“Out of Network” providers have not agreed to any prearranged fee schedules. Insureds may incur significant out-of-pocket expenses with these providers. Charges in excess of the insurance payment are Insured's responsibility.

Regardless of the provider, each Insured is responsible for the payment of the Co-payment. The Co-payment must be paid before benefits are paid. The Company will pay according to the benefit limits in the Schedule of Benefits.

THE PROGRAM DOES NOT REQUIRE YOU TO USE A PREFERRED PROVIDER.

If a Preferred Provider is not available in a particular area or specialty, the Policy will cover at the Preferred Provider level until a provider has been added.

Coverage will be provided at the Preferred Provider level for a provider who is not a Preferred Provider for the first thirty (30) days from the effective date of coverage if a Covered Person is undergoing an ongoing course of treatment or the provider is the Covered Person's primary care provider.

If the Covered Person is a female who is in her second (2nd) or third (3rd) trimester of pregnancy and whose provider in connection with her pregnancy is involuntarily disenrolled, other than disenrollment for quality-related reasons or fraud, treatment will be allowed with said provider, according to the terms of the Policy, for the period up to and including the Covered Person's first postpartum visit.

If a Covered Person is terminally ill and the provider in connection with said Sickness is involuntarily disenrolled, other than for quality related reasons or fraud, the Covered Person will be allowed to continue treatment with said provider, according to the terms of the Policy, until the death of the Covered Person.

Continued coverage is conditioned upon the provider agreeing to:

- Accept reimbursement at the rates applicable prior to notice of disenrollment as payment in full and not to impose cost sharing with respect to the Covered Person in an amount that would exceed the cost sharing that could have been imposed if the provider had not been disenrolled; and
- Adhere to the Policy's quality assurance standards and to provide necessary medical information related to the care provided; and
- Adhere to Our policies and procedures.

Physician profiling information may be available from the Board of Registration in Medicine for physicians licensed to practice in Massachusetts.

We will provide coverage for pediatric specialty care to Covered Persons requiring such services, including mental health services, by a person with recognized expertise in specialty pediatrics.

For more information call the Connector at 1-877-MA-ENROLL or visit the Connector website (www.mahealthconnector.org).

This health plan satisfies **Minimum Creditable Coverage** standards that are effective during the term of coverage as part of the Massachusetts Health Care Reform Law.
