IMPORTANT NOTICE

This brochure provides a brief description of the important features of the Policy. It is not a Policy. Terms and conditions of the coverage are set forth in the Policy. We will notify Covered Persons of all material changes to the Policy. Please keep this material with your important papers.

NONDISCRIMINATORY

Health care services and any other benefits to which a Covered Person is entitled are provided on a nondiscriminatory basis, including benefits mandated by state and federal law.

INTRODUCTION

This brochure gives a brief description of the coverage. Full details are in the Policy. The Policy may be reviewed at the Business Office. Any discrepancy between this brochure and the Policy will be governed by the Policy. This brochure outlines the basic details of your insurance coverage, which has been selected by the College.

If you need any medical services, you should use the Bailey Health Center before incurring off-campus medical expenses that may not be reimbursable.

STUDENT PREMIUM

	Annual (8/1/07-8/1/08)	Spring Semester (1/1/08-8/1/08)
Student	\$1,840	\$1,105

ELIGIBILITY

All registered full-time students are eligible to participate in the Student Accident and Sickness Insurance Plan. To be a Covered Person under the Policy, you must have paid the required premium and your name, student number and date-of-birth must have been included in the declaration made by your College or the Administrative Agent to the Insurer. You must actively attend classes for at least the first 31 days of the period for which coverage is purchased, except in the case of medical withdrawal. The company maintains its right to investigate student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

WHEN COVERAGE BEGINS AND ENDS

Coverage begins at 12:01 a.m., if the eligibility requirements are met, on the later of 1) the Policy Effective Date, August 1, 2007 for the first semester, or January 1, 2008 for the second semester; 2) the Effective Date reported as the term of coverage by Lafayette College or the Plan Administrator; or 3) the day after the date of postmark when the premium is received by the Policyholder, Company Agent or Administrator, and premium payment is made after the semester beginning date. Coverage ends at 12:01 a.m. on the last day for which your premium has been paid; on the date you cease to be eligible for this insurance; or on August 1, 2008, the date the Policy terminates.

EXTENSION OF BENEFITS

If an Insured Person is hospitalized on the date his or her insurance terminates, benefits will continue to be paid until completion of that hospital confinement, not to exceed 31 days from such termination date or the maximum Policy benefits, whichever comes first.

USEFUL TERMS

The following important terms apply to this program:

"Covered Injury" means a bodily Injury that is sustained by an Insured person while he/she is insured under the Policy or Lafayette's prior policies and is caused by an accident directly and independently of all other causes. Coverage under Lafayette's policies must have remained continuously in force from the date of Injury until the date services or supplies are received for them to be considered as a Covered Medical Expense under the Policy. All Injuries sustained by one person in any one accident, including all related conditions and recurrent symptoms of these Injuries are considered a single Covered Injury.

"Covered Sickness" means Sickness, disease or trauma related disorder due to Injury which causes a loss while the Policy is in force and which results in Covered Medical Expenses. All related conditions and recurrent symptoms of the same or a similar condition will be considered the same Sickness. Sickness includes Complications of Pregnancy.

PHCS PREFERRED PROVIDER NETWORK

This plan has a cost savings feature known as a Preferred Provider Organization (PPO). Your PPO is PHCS Preferred Provider Network. PHCS PPN is a network of hospitals, physicians, and other care providers which have agreed to limit the amount they charge for certain services.

If non-PHCS PPN providers are used for your medical treatment, the Plan will pay its Basic Benefit up to 70% of the Usual and Reasonable charges, leaving you with a higher Out-of-Pocket expense. Your Student Insurance Plan will pay up to 90% of the Provider fee when you use the PHCS PPN Network.

Show your Insurance ID card to the PHCS PPN Provider before services are rendered to receive services at discounted rates. A complete list of PHCS PPN Providers can be obtained at www.phcs.com, by calling PHCS Customer Service at (866) 559-7427, or visiting The Bailey Health Center. You can also contact Consolidated Health Plans for information regarding benefits of the Plan.

MANDATED BENEFITS

The following benefits are mandated in the state of Pennsylvania. They will be included in all plans issued under the Policy. Unless specified otherwise, all such coverage will be subject to any deductible, co-payment and co-insurance conditions of the Policy as well as all other terms and conditions applicable to any other covered sickness.

Mandated benefits as required by the state in which the Policy is issued include: Childhood Immunizations; Women's Preventive Services; Mastectomy and Breast Cancer Reconstruction; and Diabetes Equipment, Supplies and Service; Cancer Screening Tests; Cancer Chemotherapy and Hormone Therapy; Enteral Formula Benefit.

See the Policy on file with the school for further details on these benefits.

PRESCRIPTION DRUG BENEFIT

Prescription drugs are covered to a maximum of \$500 per Policy year after a \$10.00 co-pay per prescription or refill of a generic drug and a \$20.00 co-pay per prescription or refill of a brand name drug. Eligible prescriptions must be filled at an Express Scripts participating pharmacy. Covered persons will be given an ID card to show the pharmacy as proof of coverage. No claim forms need to be completed once this ID card is received. Until the card is received, eligible prescriptions may be filled, and claims will be paid on a reimbursement basis. Submit a completed Express Scripts claim form to the address provided on the form. Express Scripts claim forms and a list of participating pharmacies can be obtained by calling Express Scripts at 800-451-6245 or by visiting their website at: www.express-scripts.com.
