## 2021-2022 Student Health Insurance Plan: Qualifying Life Event Enrollment Form

A **qualifying life event** is a change in situation – such as an involuntary loss of coverage under another plan – that makes you eligible to enroll in the student health insurance plan outside of the initial enrollment period. Students who have an **involuntary loss of other coverage** while continuing to be eligible for the University of Bridgeport Student Health Insurance Plan may use this form to **enroll within 30 days of the loss of other coverage**.

If you did not recently lose your other coverage or if the deadline has passed, you are not eligible to enroll and must wait until the next policy period begins. **Please Note:** Distance Learning students are not eligible for the student health insurance plan.
