Consolidated Health Plans, Inc. is very pleased to provide you with this information about your vision care discount plan administered by Davis Vision, Inc., a leading national administrator of routine vision care programs.

### **What are my services?**

Through special arrangements, Consolidated Health Plans, Inc. makes discounts on examinations, eyewear and contact lenses available to members. Please note: This is a discount program only. All existing vision benefits, if any, associated with your health plan still apply. See the following schedule of discounts and fixed charges.

### **Who are the network providers?**

You may choose from Davis Vision contracting providers or contracted retail locations for discounted services. If you already have a vision examination as part of your health plan, use an in-network ophthalmologist in your health plan network for your examination. Then, use a Davis Vision contracted network provider for your hardware purchases (eyeglasses, etc.) and maximize your savings (you should verify whether or not the Davis Vision provider accepts outside prescriptions).

<sup>z</sup> All Davis Vision contracted network providers are licensed providers who are extensively reviewed and credentialed to ensure that stringent standards for quality service are maintained. Please call Davis Vision at **1-800-999-5431** to access the Interactive Voice Response (IVR) Unit, which will supply you with the names and addresses of the network providers nearest you, or you may access our website at [https://idoc.davisvision.com/davis/Member/adv\\_doc\\_locate\\_v2.asp](https://idoc.davisvision.com/davis/Member/adv_doc_locate_v2.asp) and utilize our "Open Enrollment" feature. You will be prompted to enter your Client Control Number, which is **2290**.

### **How do I receive services from a Davis Vision network provider?**

- Call the network provider of your choice and schedule an appointment.
- Identify yourself as a Davis Vision plan participant and a Consolidated Health Plans, Inc. employee.
- Present your Consolidated Health Plans, Inc. plan ID card at the time of your visit.

It's that easy to receive services!
