**THE FLAGSHIP COMPLETE PROGRAM**

Flagship Complete is a managed care dental program that works with a network of general and multi-specialty dental facilities to provide services. When you enroll, you must select one of the dental facilities in this directory. Flagship will place your name on the patient roster for the dental facility so they can identify you as a Flagship Complete enrollee when you call for an appointment. This dental facility will provide the general dentistry services and coordinate necessary specialty care. In most cases, specialty services will be provided in the same facility, but you may need to be referred to outside specialists on occasion. The dental facility will handle the submission of all encounter and claim forms. You will have no out of pocket expense for covered services. However, the office can charge for providing services not covered under the plan. No benefits are provided if you receive services from a non-network dental facility, except for emergency treatment covered up to \$100.00. A complete list of covered services, exclusions and limitations can be found in your benefit booklet or in the enrollment kit provided with this directory. You may also call your employer's benefit office or Flagship at 1-800-722-3524.

**NOTE:** Language information appears where dental offices have self-reported and can vary. Please contact the dental office directly to clarify the specific accessibility features of the facility, including disabled access.

**PROCEDURE FOR CHANGING A PRIMARY CARE DENTIST**

A request to change a primary care dentist can be accomplished in a few simple steps.

- The Student simply contacts a customer service representative at 1-800-722-3524 to request a change. Changes will only be honored by having the Student to the plan contact Flagship.
- Flagship will approve changes once all outstanding balances are paid to the current Plan Dentist and there is no treatment in progress.
- Requests received by the 20th of the month will be effective the first of the following month. Requests received after the 20th of the month will be effective in two months.

**\*\*Please Note:**

Flagship shall have the right to review and possibly deny request for change of Plan Dentist if the number of requests made by a Student is deemed excessive.
