## FIRST HEALTH PREFERRED PROVIDER NETWORK

---

By enrolling in this Insurance Program, you have First Health Network. A complete listing is available at [www.firsthealth.com](http://www.firsthealth.com).

A Preferred Provider may require an Insured Person to pay an annual fee for inclusion within the Preferred Providers panel of patients. Any services that are represented to be a part of the Preferred Provider's annual service agreement are part of that separate agreement and are not part of this Insurance Program.

THE PROGRAM DOES NOT REQUIRE YOU TO USE A PREFERRED PROVIDER.

If a Preferred Provider is not available in a particular area or specialty, the Policy will cover at the Preferred Provider level until a provider has been added.

Coverage will be provided at the Preferred Provider level for a provider who is not a Preferred Provider for the first thirty (30) days from the effective date of coverage if an Insured Person is undergoing an ongoing course of treatment or the provider is the Insured Person's primary care provider.

If the Insured Person is a female who is in her second (2<sup>nd</sup>) or third (3<sup>rd</sup>) trimester of pregnancy and whose provider in connection with her pregnancy is involuntarily disenrolled, other than disenrollment for quality-related reasons or fraud, treatment will be allowed with said provider, according to the terms of the Policy, for the period up to and including the Insured Person's first postpartum visit.

If an Insured Person is terminally ill and the provider in connection with said Sickness is involuntarily disenrolled, other than for quality related reasons or fraud, the Insured Person will be allowed to continue treatment with said provider, according to the terms of the Policy, until the death of the Insured Person.

Continued coverage is conditioned upon the provider agreeing to:

- Accept reimbursement at the rates applicable prior to notice of disenrollment as payment in full and not to impose cost sharing with respect to the Insured Person in an amount that would exceed the cost sharing that could have been imposed if the provider had not been disenrolled; and
- Adhere to the Policy's quality assurance standards and to provide necessary medical information related to the care provided; and
- Adhere to Our policies and procedures.

Physician profiling information may be available from the Board of Registration in Medicine for physicians licensed to practice in Massachusetts.

Eastern Nazarene College can access directories listing First Health Preferred Providers by visiting [www.firsthealth.com](http://www.firsthealth.com) or [www.chpstudent.com](http://www.chpstudent.com).
