Student Coverage

Who is eligible?

You must purchase the IL Tech Student Health Insurance Plan if you are registered for " 1" or more academic credit hours during the semester if you are not covered under another comparable plan.

Enrollment

Eligible students will be automatically enrolled in this plan, unless the electronic Waiver Form has been received and approved by the Student Health and Wellness Center, by the specified enrollment deadline dates listed in the next section of this brochure.

If you withdraw from school within the first **31 days** of a coverage period, you will not be covered under the Policy and the full premium will be refunded, less any claims paid. After **31 days**, you will be covered for the full period that you have paid the premium for, and no refund will be allowed. (This refund policy will not apply if you withdraw due to a covered Accident or Sickness.)

Exception: A Covered Person entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro rata refund of premium will be made for such person, and any covered dependents, upon written request received by Aetna within **90 days** of withdrawal from school.

Dependent Coverage

Eligibility

Covered students may also enroll their lawful spouse, civil union partner, and dependent children under age **26**.

Overage dependents

If your plan includes dependent coverage, you can enroll unmarried dependents up to age 30 if they reside in Illinois, have served in the US Armed Forces (AF) and were discharged from the AF other than dishonorable discharge.

Important note regarding coverage for a newborn infant or newly adopted child:

Newborn child

- Your newborn child is covered on your health plan for the first 31 days from the moment of birth.
- To keep your newborn covered, you must notify us (or our agent) of the birth and pay any required premium contribution during that 31 day period.
- You must still enroll the child within 31 days of the moment of birth even when coverage does not require payment of an additional premium contribution for the newborn.
- If you miss this deadline, your newborn will not have health benefits after the first 31 days from the moment of birth.
- If your coverage ends during this 31 day period, then your newborn's coverage will end on the same date as your coverage. This applies even if the 31 day period has not ended.

Adopted child or a child legally placed with you for adoption

A child that you, or you and your spouse, civil union partner or domestic partner adopt, or that is placed with you for adoption is covered on your plan for the first 31 days after the adoption or the placement is complete.

- To keep your child covered, we must receive your completed enrollment information within 31 days after the adoption or placement for adoption.
- You must still enroll the child within 31 days of the adoption or placement for adoption even when coverage does not require payment of an additional premium contribution for the child.
- If you miss this deadline, your adopted child or child placed with you for adoption will not have health benefits after the first 31 days.
- If your coverage ends during this 31 day period, then coverage for your adopted child or child placed with you for adoption will end on the same date as your coverage. This applies even if the 31 day period has not ended.

Dependent coverage due to a court order

If you must provide coverage to a dependent because of a court order, your dependent is covered on your health plan for the first 31 days from the court order.

- To keep your dependent covered, we must receive your completed enrollment information within 31 days of the court order.
- You must still enroll the dependent within 31 days of the court order even when coverage does not require payment of an additional premium contribution for the dependent.
- If you miss this deadline, your dependent will not have health benefits after the first 31 days.
- If your coverage ends during this 31 day period, then your dependent's coverage will end on the same date as your coverage. This applies even if the 31 day period has not ended.

Enrollment

If you are enrolled in the Student Health Insurance Plan, you may also purchase coverage for your eligible dependents by completing the dependent enrollment form located under the navigation menu at www.universityhealthplans.com/iit

Waiver Process/Procedure

Domestic students may waive this coverage if the student presents evidence of other health insurance coverage under a plan, which provides benefits equivalent to the Plan. Students must complete the online Waiver Form by the Waiver Deadline below. Waiver Forms are available at www.universityhealthplans.com/iit

To ensure all international students meet the Federal Visa Insurance Requirements, coverage is mandatory for all Full-Time and Part-Time J-1 and F-1 international students.

Medicare Eligibility Notice

You are not eligible to enroll in the student health plan if you have Medicare at the time of enrollment in this student plan. The plan does not provide coverage for people who have Medicare.

Termination and Refunds

Withdrawal from Classes – Leave of Absence:

If you withdraw from classes under a school-approved leave of absence, your coverage will remain in force through the end of the period for which payment has been received and no premiums will be refunded.

Withdrawal from Classes – Other than Leave of Absence:

If you withdraw from classes other than under a school-approved leave of absence within 31 days after the policy effective date, you will be considered ineligible for coverage, your coverage will be terminated retroactively and any premiums collected will be refunded. If the withdrawal is more than 31 days after the policy effective date, your coverage will remain in force through the end of the period for which payment has been received and no premiums will be refunded. If you withdraw from classes to enter the armed forces of any country, coverage will terminate as of the effective date of such entry and a pro rata refund of premiums will be made if you submit a written request within 90 days of withdrawal from classes.

In-network Provider Network

Aetna Student Health offers Aetna's broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better.

If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

Precertification

You need pre-approval from us for some eligible health services. Pre-approval is also called precertification. Your in-network physician is responsible for obtaining any necessary precertification before you get the care. When you go to an out-of-network provider, it is your responsibility to obtain precertification from us for any services and supplies on the precertification list. For a current listing of the health services or prescription drugs that require precertification, contact Member Services or go to www.aetna.com.

Precertification Call

Precertification should be secured within the timeframes specified below. To obtain precertification, call Member Services at the toll-free number on your ID card. You, your physician or the facility must call us within these timelines:

Non-emergency admissions	Call at least 14 days before the date you are scheduled to be admitted.
Emergency admission	Call within 48 hours or as soon as reasonably possible after you have been admitted.
Urgent admission	Call before you are scheduled to be admitted.
Outpatient non-emergency medical services	Call at least 14 days before the care is provided, or the treatment is scheduled

An urgent admission is a hospital admission by a physician due to the onset of or change in an illness, the diagnosis of an illness, or an injury.

We will provide a written notification to you and your physician of the precertification decision, where required by state law. If your precertified services are approved, the approval is valid for 60 days as long as you remain enrolled in the plan.

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to <https://www.aetnastudenthealth.com>.

This Plan will pay benefits in accordance with any applicable Illinois Insurance Law(s).

You may receive a bill for the difference between the amount billed by the provider and the amount paid by this plan. If the provider bills you for an amount above your cost share, you are not responsible for paying that amount. You should send the bill to the address listed on the back of your ID card, and we will resolve any payment dispute with the provider over that amount. Make sure the ID card number is on the bill. • A separate emergency room copayment/coinsurance will apply for each visit to an emergency room. If you are admitted to a hospital as an inpatient right after a visit to an emergency room, your emergency room copayment/coinsurance will be waived and your inpatient copayment/coinsurance will apply. • Covered benefits that are applied to the emergency room copayment/coinsurance cannot be applied to any other copayment/coinsurance under the plan. Likewise, a copayment/coinsurance that applies to other covered benefits under the plan cannot be applied to the emergency room copayment/coinsurance. 		

- Separate copayment/coinsurance amounts may apply for certain services given to you in the emergency room that are not part of the emergency room benefit. These copayment/coinsurance amounts may be different from the emergency room copayment/coinsurance. They are based on the specific service given to you.
- Services given to you in the emergency room that are not part of the emergency room benefit may be subject to copayment/coinsurance amounts that are different from the emergency room copayment/coinsurance amounts.
