Policy Year: 2019 - 2020

Policy Number: 724532

[www.aetnastudenthealth.com](http://www.aetnastudenthealth.com)

(800) 841-3140

This is a brief description of the Student Health Plan. The Plan is available for Illinois Institute of Technology students and their eligible dependents. The Plan is underwritten by Aetna Life Insurance Company (Aetna). The exact provisions, including definitions, governing this insurance are contained in the Policy issued to you and may be viewed online at [www.aetnastudenthealth.com](http://www.aetnastudenthealth.com). If there is a difference between this Benefit Summary and the Master Policy, the Policy will control.

## Illinois Institute of Technology Health Services

## Student Coverage

### Who is eligible?

You are eligible if you are not covered under another comparable plan must purchase the IL Tech Student Health Insurance Plan if they are registered for " 1" or more academic credit hours during the semester.

### Enrollment

Eligible students will be automatically enrolled in this plan, unless the electronic Waiver Form has been received and approved by the Student Health and Wellness Center, by the specified enrollment deadline dates listed in the next section of this brochure.

If you withdraw from school within the first **31 days** of a coverage period, you will not be covered under the Policy and the full premium will be refunded, less any claims paid. After **31 days**, you will be covered for the full period that you have paid the premium for, and no refund will be allowed. (This refund policy will not apply if you withdraw due to a covered Accident or Sickness.)

**Exception:** A Covered Person entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro rata refund of premium will be made for such person, and any covered dependents, upon written request received by Aetna within **90 days** of withdrawal from school.

## Dependent Coverage

### Eligibility

Covered students may also enroll their lawful spouse, civil union partner, and dependent children under age **26**.

### Enrollment

An Enrollment Form for **dependents** is located online at [www.aetnastudenthealth.com](http://www.aetnastudenthealth.com), and must be submitted by the same Enrollment Deadline listed.

### To Enroll a Dependent

- Log onto [www.aetnastudenthealth.com](http://www.aetnastudenthealth.com)
- Click on "Find My School's Plan" under Member Quick Links
- Enter IIT
- Click on "Plans and Products Offered to You"

## Medicare Eligibility Notice

You are not eligible for health coverage under this student policy if you have Medicare at the time of enrollment in this student plan.

If you obtain Medicare after you enrolled in this student plan, your health coverage under this plan will not end.

As used here, “have Medicare” means that you are entitled to benefits under Part A (receiving free Part A) or enrolled in Part B or Premium Part A.

## In-network Provider Network

Aetna Student Health offers Aetna’s broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan’s benefits are better.

If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

## Pre-certification

You need pre-approval from us for some eligible health services. Pre-approval is also called pre-certification.

### Pre-certification for medical services and supplies

#### In-network care

Your in-network physician is responsible for obtaining any necessary pre-certification before you get the care. If your in-network physician doesn't get a required pre-certification, we won't pay the provider who gives you the care. You won't have to pay either if your in-network physician fails to ask us for pre-certification. If your in-network physician requests pre-certification and we refuse it, you can still get the care but the plan won't pay for it. You will find additional details on requirements in the Certificate of Coverage.

#### Out-of-network care

When you go to an out-of-network provider, it is your responsibility to obtain pre-certification from us for any services and supplies on the pre-certification list. If you do not pre-certify, your benefits may be reduced, or the plan may not pay any benefits. Refer to your schedule of benefits for this information. The list of services and supplies requiring pre-certification appears later in this section

## Pre-certification call

Pre-certification should be secured within the timeframes specified below. To obtain pre-certification, call Member Services at the toll-free number on your ID card. This call must be made:

Non-emergency admissions:	You, your physician or the facility will need to call and request pre-certification at least 14 days before the date you are scheduled to be admitted.
An emergency admission:	You, your physician or the facility must call within 48 hours or as soon as reasonably possible after you have been admitted.
An urgent admission:	You, your physician or the facility will need to call before you are scheduled to be admitted. An urgent admission is a hospital admission by a physician due to the onset of or change in an illness, the diagnosis of an illness, or an injury.
Outpatient non-emergency services requiring pre-certification:	You or your physician must call at least 14 days before the outpatient care is provided, or the treatment or procedure is scheduled.
Delivery:	You, your physician, or the facility must call within 48 hours of the birth or as soon thereafter as possible. No penalty will be applied for the first 48 hours after delivery for a routine delivery and 96 hours for a cesarean delivery.

We will provide a written notification to you and your physician of the pre-certification decision, where required by state law. If your pre-certified services are approved, the approval is valid for 30 days as long as you remain enrolled in the plan.

If you require an extension to the services that have been pre-certified, you, your physician, or the facility will need to call us at the number on your ID card as soon as reasonably possible, but no later than the final authorized day.

If pre-certification determines that the stay or outpatient services and supplies are not covered benefits, the notification will explain why and how you can appeal our decision. You or your provider may request a review of the pre-certification decision. See the *When you disagree - claim decisions and appeals procedures* section of Certificate of Coverage.

### What if you don't obtain the required pre-certification?

If you don't obtain the required pre-certification:

- Your benefits may be reduced, or the plan may not pay any benefits. See the schedule of benefits *Pre-certification penalty* section.
- You will be responsible for the unpaid balance of the bills.
- Any additional out-of-pocket expenses incurred will not count toward your deductibles or maximum out-of-pocket limits.

## What types of services and supplies require pre-certification?

Pre-certification is required for the following types of services and supplies:

Inpatient services and supplies	Outpatient services and supplies
ART services	Applied behavior analysis
Obesity (bariatric) surgery	Certain <b>prescription drugs</b> and devices*
<b>Stays in a hospice facility</b>	Complex imaging

### Important note:

Precertification and step therapy requirements do not apply to FDA-approved prescription drugs used for the treatment of substance use disorders, other than those established by applicable criteria.

## Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB).

### Here's how COB works

- When this is the primary plan, we will pay your medical claims first as if the other plan does not exist
- When this is the secondary plan, we will pay benefits after the primary plan and will reduce the payment based on any amount the primary plan paid
- We will never pay an amount that, together with payments from your other coverage, add up to more than 100% of the allowable submitted expenses

For more information about the Coordination of Benefits provision, including determining which plan is primary and which is secondary, you may call the Member Services telephone number shown on your ID card. A complete description of the Coordination of Benefits provision is contained in the Policy issued to Illinois Institute of Technology, and may be viewed online at [www.aetnastudenthealth.com](http://www.aetnastudenthealth.com).

## Description of Benefits

The Plan excludes coverage for certain services (referred to as exceptions in the certificate of coverage) and has limitations on the amounts it will pay. While this Plan Design and Benefit Summary document will tell you about some of the important features of the Plan, other features may be important to you and some may further limit what the Plan will pay. To look at the full Plan description, which is contained in the Certificate of Coverage issued to you, go to [www.aetnastudenthealth.com](http://www.aetnastudenthealth.com). If any discrepancy exists between this Benefit Summary and the Certificate of Coverage, the Certificate will control.

This Plan will pay benefits in accordance with any applicable Illinois Insurance Law(s).

**Important note:**

- As out-of-network providers do not have a contract with us the provider may not accept payment of your cost share, (copayment/coinsurance), as payment in full. You may receive a bill for the difference between the amount billed by the provider and the amount paid by this plan. If the provider bills you for an amount above your cost share, you are not responsible for paying that amount. You should send the bill to the address listed on the back of your ID card, and we will resolve any payment dispute with the provider over that amount. Make sure the ID card number is on the bill.
- A separate hospital emergency room copayment/coinsurance will apply for each visit to an emergency room. If you are admitted to a hospital as an inpatient right after a visit to an emergency room, your emergency room copayment/coinsurance will be waived and your inpatient copayment/coinsurance will apply.
- Covered benefits that are applied to the hospital emergency room copayment/coinsurance cannot be applied to any other copayment/coinsurance under the plan. Likewise, a copayment/coinsurance that applies to other covered benefits under the plan cannot be applied to the hospital emergency room copayment/coinsurance.
- Separate copayment/coinsurance amounts may apply for certain services given to you in the hospital emergency room that are not part of the hospital emergency room benefit. These copayment/coinsurance amounts may be different from the hospital emergency room copayment/coinsurance. They are based on the specific service given to you.
- Services given to you in the hospital emergency room that are not part of the hospital emergency room benefit may be subject to copayment/coinsurance amounts that are different from the hospital emergency room copayment/coinsurance amounts.
