

JOHNSON & WALES
UNIVERSITY

2022–2023 Student Health Insurance Plan for Johnson & Wales University

Who is eligible to enroll?

All undergraduate day students, both domestic and international, all international graduate students, and any graduate student required to be enrolled under programmatic requirements (e.g., students enrolled in the Physician Assistant Program, on-campus Occupational Therapy Program, Addiction Counseling or Clinical Mental Health Counseling master's degree programs, etc.), registered and attending Johnson & Wales University and taking credit hours (excluding full-time Johnson & Wales employees) are eligible and enrolled in the plan on a hard waiver basis. Whether a student is “registered” and “attending” shall be determined exclusively by Johnson & Wales University.

Medical Leave of Absence Eligibility requirements: A student can enroll in the student health insurance plan while on an approved medical leave of absence for a maximum of one semester if the student was enrolled in the student health insurance plan in the prior semester. In addition, if a student suffers an accident or sickness while meeting the eligibility requirements, that results in the student taking a medical leave of absence, coverage will remain in place until the end of the semester for which coverage was purchased. The student must have their medical leave of absence approved in writing by the Director of the Student Health Center or their designee to be eligible. At the time of taking the leave, the student must intend to return to Johnson & Wales University and remain a degree-seeking candidate.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

Where can I get more information about the benefits available?
