## How Do I Waive?

The charge for the annual premium will be included on the student’s fall invoice once the student meets the minimum registration eligibility requirements. Those students who are insured under another policy may drop his/her coverage under this insurance plan and have the premium credited back to his/her university account by completing a waiver form by July 31st or within 10 days of becoming eligible if the minimum registration requirements are met after July 31st. All Lehigh International Students on an F-1 or J-1 Visa are not permitted to drop coverage by submitting a waiver form unless you have parents or a spouse/domestic partner living and/or working in the U.S. and are covered under a family plan that's ACA-compliant, you are sponsored to study at Lehigh by your home country or U.S. government that provides you with an insurance plan, or you have dependents at Lehigh and have a private family insurance plan that's ACA-compliant.

An online waiver/enrollment form can be found [www.universityhealthplans.com](http://www.universityhealthplans.com) prior to the enrollment deadlines shown below.
