### MCPHS University Health Insurance Program Information Beginning August 15, 2023

#### **Health Services**

MCPHS University students on the Boston campus have access to the Massachusetts College of Art and Design Student Health Services (Optum Student Health Services), second floor of the Mass Art Treehouse Residence Hall, 578 Huntington Avenue (617-879-5220) by utilizing their personal health insurance and scheduling appointments. Blue Cross and Blue Shield is accepted at the Mass Art Student Health Services. Additional information on Optum Student Health Services can be found <u>HERE</u>.

Health services for Worcester and Manchester campus students are available through the many providers in the local campus areas.

#### **Health Insurance Waiver and Enrollment Information:**

According to the Commonwealth of Massachusetts and MCPHS University policy, all Boston, Worcester, and Manchester matriculated students (regardless of enrollment) must be covered by a comprehensive health insurance program. MCPHS University is obligated by law to ensure that students meet this requirement. Any student who does not meet this obligation may obtain coverage through the Blue Cross and Blue Shield Student Health Insurance Plan, an alternative program arranged by the college and administered through University Health Plans.

All Boston, Worcester and Manchester matriculated students (regardless of enrollment) will be charged \$3,576 for the annual student insurance plan. If you have a comprehensive health insurance plan for the 2023-2024 academic year, you may complete the online waiver at <u>www.universityhealthplans.com</u>. The health insurance charge will be removed from your student account <u>only</u> after a valid, completed waiver has been submitted.

Any Boston, Worcester or Manchester student who does not submit proof of enrollment in a qualifying program before <u>August 1, 2023</u> will automatically be enrolled in and charged for the Student Health Insurance Plan. Once enrolled, waiving the insurance is not an option. <u>No exceptions or refunds will be granted</u>. Please note that international students must enroll in the Plan with the exceptions of: 1) Those international students whose sponsoring institutions have a signed agreement with MCPHS University that complies with the University's health insurance waiver requirements or 2) International students with a plan for which their health insurance company's primary office is based in the United States AND the policy provides comparable coverage to the University Student Health Insurance Plan. Travel Insurance Plans and Short-Term Limited Duration Plans are not comparable. ISO and PSI plans are popular travel insurance plans that do not provide comprehensive coverage. Students should not waive with these types of plans as they are not comparable to the Student Health Insurance Plans. International students who do not fall under conditions 1 or 2 above MUST purchase the University's Student Health Insurance Plan. Additionally, online only students are not eligible for the student health insurance plan.

For questions addressing BCBS general information, or if you do not have internet access, please contact University Health Plans at (833) 251-1707. If you have questions regarding the benefits, please feel free to contact Blue Cross and Blue Shield of Massachusetts at (888) 753-6615. If you have questions about the insurance premium that has been charged to your bill, please contact MCPHS University at (617) 732-2864.

If you are interested in insurance for dependents, please contact University Health Plans for additional information.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$300 member.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes. In-network preventive and prenatal care, <u>diagnostic tests</u> , most office visits, therapy visits, mental health visits, <u>prescription</u> <u>drugs</u> ; emergency room, emergency transportation.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	Yes. For pediatric essential dental, \$50 member (no more than \$150 for three or more eligible members per family). There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For medical and <u>prescription drug</u> benefits, \$6,850 member / \$13,700 family; and for pediatric essential dental, \$350 member (no more than \$700 for two or more eligible members per family).	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>bluecrossma.com/findadoctor</u> or call the Member Service number on your ID card for a list of <u>network</u> <u>providers</u> .	This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

	All <b>copayment</b> and <b>coinsurance</b> costs shown in this chart are after your <b>deductible</b> has been met, if a <b>deductible</b> applies.
