

Introducing the Delta Dental Mobile App!

Your dental health is important to Delta Dental – and to your overall health! We’ve designed our mobile app to make it easy for you to make the most of your dental benefits, wherever you are.

The mobile app is available for both IOS (Apple) and Android devices. To download the app on your device, visit the App Store (Apple) or Google Play (Android) and search for Delta Dental. Or, scan the QR code.

THE DELTA DENTAL APP

If you’re a Delta Dental subscriber, log in using the username and password you would normally use to log in to our website. If you don’t have an online account yet, you can register at deltadentalri.com.

Delta Dental’s mobile app gives you access to your benefits, coverage, claims, mobile ID card and more in the palm of your hand. You can also use the Find a Dentist tool to find a dentist near you.

Want to know more about your personal oral health? Take the app’s assessment survey to learn about your LifeSmile Score.
