Am I Eligible?

To be eligible for coverage under the policy, a Student must:

1. Meet the enrollment requirements stated in the Insurance Information Schedule; and
2. Pay the required premium; and
3. Attend classes for at least the first 31 days of the period for which premium has been paid except in the case of medical withdrawal.

As used in this section, "Attend class" means the student be present for class (either remotely or on campus, provided they are enrolled in a degree granting program). We maintain the right to investigate student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever We discover that they have not been met, our only duty is to refund premium.

All undergraduate degree students, pre-registered for nine (9) or more credit hours at the end of the initial Fall (July 9, 2020) or Spring (December 7, 2020) billing periods are automatically enrolled in this plan, and the cost of the insurance will be included on your tuition bill. Students registered for nine (9) or more credits after the initial Fall or Spring tuition billing will not be assessed the Insurance coverage. You may add the coverage by enrolling online at: www.universityhealthplans.com. If your status changes to fewer than nine (9) credits after you've been assessed the insurance charge, and you do not want the insurance, you must be sure to waive out of the insurance plan prior to the deadline date.

International Students—

All international students, carrying a minimum of 1 credit hour, are required to carry insurance and are automatically enrolled in the College's Student Health Insurance Plan, and may not waive out of it.

Part-time, non-degree and graduate students carrying a minimum of six (6) credit hours are eligible to enroll voluntarily by going to www.universityhealthplans.com.

How Do I Waive/Enroll?

Domestic Students—

FAILURE TO COMPLETE the on-line Waiver Form by the deadline, September 22, 2020, will result in your mandatory purchase of the College's Student Insurance Plan for the Fall 2020 Semester without the possibility of later waiver, refund or cancellation. You will be able to waive out of the Student Health Insurance Plan by the deadline date of September 22, 2020, for either the Fall Semester or the entire academic year, if you have other insurance coverage that will insure you for the entire academic year. For the spring semester, the deadline to waive out is February 22, 2021. If you do not waive by the deadline, you will not be eligible for a refund.

Please Note: *If your status changes to fewer than nine (9) credits after you've been assessed the insurance charge, and you do not want the insurance, you must be sure to waive out of the insurance plan prior to the deadline date. All international students are required to carry insurance and are automatically enrolled in the College's Insurance Plan.*
