School Letter to Students and Parents

Dear Students and Parents:

Sarah Lawrence College is committed to promoting good health and meeting the medical needs of its students. A health insurance plan allows students to know that they can receive the services they need in the event of a sickness or injury.

The College requires all students to carry adequate medical insurance to help cover the extra expenses of medical treatment that are not covered at the Health and Wellness Center. The Student Health Plan provides coverage to students for a 12-month period, August 15, 2017 to August 15, 2018. The Plan includes a local and national network of Participating Providers, and is designed to be an affordable option. Sarah Lawrence College urges you to enroll in the Plan for several reasons.

To assist you in making an informed decision regarding your student's health insurance needs, here are some general questions to ask your current health plan to ensure that it provides adequate coverage:

- Does your current health plan provide coverage while in the area of the Sarah Lawrence College campus? Some HMO plans provide coverage for Emergency Treatment only, while out of area of the local HMO.
- Does your current health plan cover the student as long as he/she is a registered student at Sarah Lawrence College?
- Does your current health plan cover mental health services?
- Does your current health plan provide coverage anywhere in the world, including medical evacuation and repatriation benefits, while the student is away from campus for academics, research, work, or vacation? Some employer-sponsored plans will only provide coverage while in the United States, and some do not include any medical evacuation or repatriation benefits.
- Does your current health plan include a nationwide network of Participating Providers, guaranteeing acceptance of your insurance plan, and reducing the student's out-of-pocket expenses? Some employer-sponsored plans are managed-care type plans, with a regionally-based participating provider network.
- Does your current health plan include Prescription Drug coverage, and a nationwide network of member pharmacies? Some employer sponsored plans do not provide prescription drug coverage, or only very limited benefits available at certain local pharmacies.
- Does your current health plan include coverage for Intercollegiate Sports? It is possible that some employer-sponsored health plans exclude coverage for all Intercollegiate Sports related injuries.

While the majority of students' health issues can be met by Health and Wellness Center, there are times when outside specialists or additional consultation is warranted. At such times, the Student Health Plan endorsed by Sarah Lawrence College provides coverage worldwide, and allows students to seek care from any licensed provider, once the referral from Sarah Lawrence College Health Services is made. Students also have access to a nationwide Participating Provider Network, as well as a national network of member pharmacies.

When students use a participating provider, their out-of-pocket expenses can be limited as students' coinsurance expenses are based on negotiated Participating Provider fees. The Plan provides coverage for expenses relating to injury or sickness including diagnostic testing, lab and x-ray services, doctor visits, and prescription drugs.

New and returning students for the 2017-2018 Academic Year who determine that they have existing comparable coverage will need to complete and submit the online Waiver Form by July 14, 2017. It is your responsibility to carefully compare your current insurance plan with that offered by SLC to ensure that the coverage is truly comparable. By signing the waiver, you are attesting to the fact that you are familiar with both plans and will be responsible for providing for your student's medical and/or mental health needs should your own insurance prove insufficient. **If you do not have comparable health insurance, or do not submit the online Waiver Form by July 14, 2017, you will be required to purchase the Student Health Plan, and will automatically be enrolled.**

We encourage you to read the Brochure and take the time to make an informed decision regarding your health coverage. If you have questions regarding the Student Health Plan, please contact Consolidated Health Plans at (877) 657-5030 or www.chpstudent.com.

Yours truly,
Mary Hartnett R.N.
