General Information

Am I Eligible

All registered full-time Undergraduate students and part-time resident students taking 1 or more credits are required to have health insurance coverage, either through this Student Health Insurance Plan or through another individual or family plan. Students are automatically enrolled in the Student Health Insurance Plan at registration and the premium is added to the student's tuition fees unless proof of comparable coverage is provided by completing the waiver.

Dependents

Dependents are not eligible.

How Do I Waive?

To Waive:

Eligible Students who DO NOT WANT to be enrolled in the Student Health Insurance Plan must submit an online Waiver Form documenting proof of comparable coverage in another health insurance plan prior to the posted waiver deadline date.

If you are eligible to be covered under the Student Health Insurance Plan, you will be automatically enrolled and charged the premium, unless you waive coverage. Students who do not want to be enrolled in the Student Health Insurance Plan can waive coverage if they can document proof of comparable coverage in another health insurance plan that will be in effect from 12:00 A.M. on August 15, 2023 through 11:59 P.M. on August 14, 2024. Recognizing that health insurance situations may change, students will be required to provide proof of comparable coverage each academic year in order to waive participation in the Plan. To document proof of comparable coverage, students need to complete the online Waiver Form and submit it by the deadline. Go to www.universityhealthplans.com to submit the online Waiver Form.

The online Waiver process is the only accepted process for waiving participation in the Plan. The deadline for processing the online waiver is August 15, 2023 for students enrolling in the annual or fall coverage period and February 1, 2024 for students newly enrolling at the University in the spring term. Students who do not submit the online Waiver Form by the deadline will be automatically enrolled in the Student Health Insurance Plan and the fee will remain on their student account bill.
