(800) 481-8814

This is a brief description of the Student Health Plan. The Plan is available for Stevens Institute of Technology students and their eligible dependents. The Plan is underwritten by Aetna Life Insurance Company. The exact provisions, including definitions, governing this insurance are contained in the Certificate of Coverage issued to you and may be viewed online at https://www.aetnastudenthealth.com. If there is a difference between this Benefit Summary and the Certificate of Coverage, the Certificate will control.

HEALTH SERVICES

Stevens Institute of Technology Health Services is open Monday through Friday from 9:00 a.m. to 4:00 p.m.

For more information, call the Health Services at (201) 216-5678. In the event of an emergency, call 911 or the Campus Police at (201) 216-3911.

Coverage Dates and Rates

Coverage for all insured students and eligible dependents will become effective at 12:01 AM on the Coverage Start Date indicated below and will terminate at 11:59 PM on the Coverage End Date indicated. Coverage for insured dependents terminates in accordance with the Termination Provisions described in the Certificate of Coverage.

The rates below include premiums for the Plan underwritten by Aetna Life Insurance Company (Aetna). They also include a Travel Assistance Fee and the School Administrative Fee.

STUDENT COVERAGE

Who is eligible?

All full-time undergraduate students and all full-time graduate students are automatically enrolled in this insurance plan at registration and premium for coverage is added to their tuition billing unless proof of comparable coverage is furnished. Students enrolled in Steven's Cooperative Education program have full-time status.

International students are automatically enrolled in this insurance plan.

All part-time students taking 1 or more credit hours are eligible to enroll on a voluntary basis.

You must actively attend classes for at least the first 31 days after the date your coverage becomes effective. You cannot meet this eligibility requirement if you take courses through:

- Home study
- Correspondence
- The internet
- Television (TV).

Enrollment

To enroll online visit www.universityhealthplans.com/stevens.

Dependent Coverage

Eligibility

Covered students may also enroll their lawful spouse, domestic partner (same-sex, opposite sex), and dependent children up to the age of 26.

Overage dependents

If your plan includes dependent coverage, you can enroll your dependent child over age 26 up to age 31 when if the dependent child:

- Is not married or is not a domestic partner or in a civil union
- Has no dependents of their own
- Is either a resident of New Jersey or is enrolled as a full-time student at an accredited school
- Is not covered under any other:
 - Group or individual health benefits plan
 - Group health plan
 - Church plan or health benefits plan
- Is not entitled to Medicare on the date continuation coverage begins

To enroll the overage dependent child, please contact member services by calling (800) 481-8814 and request a HINT NJ Enrollment Form to be sent to you. Email completed document and supporting material to StudentHealthEnrollmentVerification@AETNA.com.

Enrollment

To enroll the dependent(s) of a covered student, please complete the Enrollment Form by visiting www.universityhealthplans.com/stevens and selecting the Dependent Enrollment form. Please refer to the Coverage Periods section of this document for coverage dates and deadline dates. Dependent enrollment applications will not be accepted after the enrollment deadline, unless there is a significant life change that directly affects their insurance coverage. The deadline to enroll a dependent is 31 days after the significant life changing event. (An example of a significant life change would be loss of health coverage under another health plan.) In that case contact University Health Plans at 1-833-250-9006.

Important note regarding coverage for a newborn infant or newly adopted child:

- A newborn child Your newborn child is covered on your health plan for the first 60 days from the moment of birth.
 - To keep your newborn covered, you must notify us (or our agent) of the birth and pay any required premium contribution during that 60-day period.
 - You must still enroll the child within 60 days of birth even when coverage does not require payment of an additional premium contribution for the newborn.
 - If you miss this deadline, your newborn will not have health benefits after the first 60 days.
 - If your coverage ends during this 60-day period, then your newborn coverage will end on the same date as your coverage. This applies even if the 60-day period has not ended.

- An adopted child or a child legally placed with you for adoption A child that you, or that you and your spouse or domestic partner adopts or is placed with you for adoption is covered on your plan for the first 31 days after the adoption or the placement is complete.
 - To keep your child covered, we must receive your completed enrollment information within 31 days after the adoption or placement for adoption.
 - You must still enroll the child within 31 days of the adoption or placement for adoption even when coverage does not require payment of an additional premium contribution for the child.
 - If you miss this deadline, your adopted child or child placed with you for adoption will not have health benefits after the first 31 days.
 - If your coverage ends during this 31-day period, then coverage for your adopted child or child placed with you for adoption will end on the same date as your coverage. This applies even if the 31-day period has not ended.
- Dependent coverage due to a court order: If you must provide coverage to a dependent because of a court order, your dependent is covered on your health plan for the first 31 days from the court order.
 - To keep your dependent covered, we must receive your completed enrollment information within 31 days of the court order.
 - You must still enroll the dependent within 31 days of the court order even when coverage does not require payment of an additional premium contribution for the dependent.
 - If you miss this deadline, your dependent will not have health benefits after the first 31 days.
 - If your coverage ends during this 31-day period, then your dependent's coverage will end on the same date
 as your coverage. This applies even if the 31-day period has not ended.
 - You must still enroll the child within 31 days of the adoption or placement for adoption even when coverage does not require payment of an additional premium contribution for the child.
 - If you miss this deadline, your adopted child or child placed with you for adoption will not have health benefits after the first 31 days.
 - If your coverage ends during this 31-day period, then coverage for your adopted child or child placed with you for adoption will end on the same date as your coverage. This applies even if the 31-day period has not ended.

If you need information or have general questions on dependent enrollment, call University Health Plans at 1-833-250-9006.

Medicare Eligibility Notice

You are not eligible to enroll in the student health plan if you have Medicare at the time of enrollment in this student plan. The plan does not provide coverage for people who have Medicare.

Termination and Refunds

<u>Withdrawal from Classes – Leave of Absence:</u> If you withdraw from classes under a school-approved leave of absence, your coverage will remain in force through the end of the period for which payment has been received and no premiums will be refunded.

Withdrawal from classes – other than leave of absence: If you withdraw from classes within 31 days after the policy effective date, you will be considered ineligible for coverage. Your coverage will be terminated retroactively, and any premium paid will be refunded. If you withdraw from classes more than 31 days after the policy effective date, your coverage will remain in force through the end of the period for which premium payment has been received. No premium will be refunded. If you withdraw from classes to enter the armed forces of any country, your coverage will

end as of the date of such entry. We will refund your premium, on a pro-rata basis, if you submit a written request within 90 days from the date you withdraw.

In-network Provider Network

Aetna Student Health offers Aetna's broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better.

If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

Precertification

You need pre-approval from us for some eligible health services. Pre-approval is also called precertification. Your innetwork physician is responsible for obtaining any necessary precertification before you get the care. When you go to an out-of-network provider, it is your responsibility to obtain precertification from us for any services and supplies on the precertification list. If you do not precertify when required, there is a \$500 penalty for each type of eligible health service that was not precertified. For a current listing of the health services or prescription drugs that require precertification, contact Member Services or go to www.aetna.com. Precertification is not required for substance use disorders treatments for the first 180 days of treatment.

Precertification Call

Precertification should be secured within the timeframes specified below. To obtain precertification, call Member Services at the toll-free number on your ID card. This call must be made:

Non-emergency admission	Call at least 14 days before the date you are scheduled to be admitted
Emergency admission	Call within 48 hours or as soon as reasonably possible after you have been admitted
Urgent admission	Call before you are scheduled to be admitted
Outpatient non-emergency medical services	Call at least 14 days before the care is provided, or the treatment is scheduled

An urgent admission is a hospital admission by a physician due to the onset of or change in an illness, the diagnosis of an illness, or an injury.

We will provide a written notification to you and your physician of the precertification decision, where required by state law. If your precertified services are approved, the approval is valid for 30 days as long as you remain enrolled in the plan.

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to https://www.aetnastudenthealth.com.

This Plan will pay benefits in accordance with any applicable New Jersey Insurance Law(s).

Important note:

- As out-of-network providers do not have a contract with us the provider may not accept payment of your cost share, (copayment and coinsurance), as payment in full. You may receive a bill for the difference between the amount billed by the provider and the amount paid by this plan. If the provider bills you for an amount above your cost share, you are not responsible for paying that amount. You should send the bill to the address listed on your ID card, or call Member Services for an address at 1-877-480-4161 and we will resolve any payment dispute with the provider over that amount. Make sure the ID card number is on the bill.
- A separate emergency room copayment will apply for each visit to an emergency room. If you are admitted to a hospital
 as an inpatient right after a visit to an emergency room, your emergency room copayment will be waived and your
 inpatient copayment will apply.
- Covered benefits that are applied to the emergency room copayment cannot be applied to any other copayment under the plan. Likewise, a copayment that applies to other covered benefits under the plan cannot be applied to the emergency room copayment.
- Separate copayment amounts may apply for certain services given to you in the emergency room that are not part of the emergency room benefit. These copayment amounts may be different from the emergency room copayment. They are based on the specific service given to you.
- Services given to you in the emergency room that are not part of the emergency room benefit may be subject to copayment amounts that are different from the emergency room copayment amounts.

A covered person, a covered person's designee or a covered person's prescriber may seek an expedited medical exception process to obtain coverage for non-covered drugs in exigent circumstances. An "exigent circumstance" exists when a covered person is suffering from a health condition that may seriously jeopardize a covered person's life, health, or ability to regain maximum function or when a covered person is undergoing a current course of treatment using a non-formulary drug.

The request for an expedited review of an exigent circumstance may be submitted by contacting Aetna's *Precertification Department* at **1-855-240-0535**, faxing the request to **1-877-269-9916**, or submitting the request in writing to:

CVS Health ATTN: Aetna PA 1300 E Campbell Road Richardson, TX 75081 We already told you about the many health care services and supplies that are eligible for coverage under your plan in the *Eligible health services under your plan* section. In that section we also told you that some health care services and supplies have exceptions, and some are not covered at all which are called "exclusions".

Work related illness or injuries

 Coverage available to you under worker's compensation or under a similar program under local, state or federal law for any illness or injury related to employment or self-employment.

Important Note:

A source of coverage or reimbursement is considered available to you even if you waived your right to payment from that source. You may also be covered under a workers' compensation law or similar law. If you submit proof that you are not covered for a particular illness or injury under such law, then that illness or injury will be considered "non-occupational" regardless of cause.

The Stevens Institute of Technology Student Health Insurance Plan is underwritten by Aetna Health and Life Insurance Company. Aetna Student HealthSM is the brand name for products and services provided by Aetna Health and Life Insurance Company and its applicable affiliated companies (Aetna).
