2021–2022 Student Health Insurance Plan for The New School

Who is eligible to enroll?

All graduate and undergraduate degree (including online-only and non-matriculating), visiting, mobility (study abroad), maintenance-of-status, Lang and Parsons consortium, ESL + Certificate program, and graduate credit certificate students are automatically charged for the health insurance plan upon registration, and will be enrolled in the plan if a waiver providing proof of comparable coverage is not submitted by the waiver deadline.

Comparable coverage includes a (foreign) government sponsored plan, employer sponsored plan, international plan and Medicaid that provides comprehensive coverage in the area the student is studying. Travel Insurance is not acceptable as comparable coverage if the student is studying on campus in New York. Accident Insurance plans do not meet the waiver requirements regardless of location of study.

Eligible Dependents of enrolled students may participate in the plan on a voluntary basis. Eligible Dependents are the student’s spouse or Domestic Partner and dependent children under 26 years of age. See the Who is Covered section of the Certificate of Coverage for the specific requirements needed to meet Domestic Partner eligibility.

Where can I get more information about the benefits available?

Highlights of Services offered by UnitedHealthcare StudentResources

HealthiestYou: 24/7 Doctor Access

Starting on the effective date of your policy, you have 24/7 access to medical advice through HealthiestYou, a national telehealth service. By calling the toll-free number listed on the front of your medical ID card or visiting www.telehealth4students.com, you have access to board-certified physicians via phone and/or video, where permitted. This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor’s office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor’s office, urgent care facility, or emergency room. As a Member with StudentResources, there is no consultation fee for this service.* Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.
HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*Available to Member students and their covered Dependents ages 18 and over. If you call prior to your effective date of your coverage under the insurance plan, you will be charged a $55 service fee before being connected to a board-certified physician.

**24/7 Student Support**

Members have immediate access to the Student Assistance Program, a service that coordinates counseling services offered by Licensed Clinicians who can provide Members with someone to talk to when everyday issues become overwhelming. More information about these counseling services is available by logging into My Account at www.uhcsr.com/MyAccount.

**HealthiestYou: Virtual Counselor Access**

Starting on the effective date of your coverage under the student insurance plan, you have access to mental health providers through a national virtual counseling service.* Psychiatrists, psychologists and licensed therapists are available to you through a variety of communication methods, including phone and video.

When you sign up, you’ll complete a questionnaire, choose your provider and select a date and time for your appointment. Appointments are available 7 days a week. Visits are secure, discreet and confidential, and you have ongoing support with the same provider.

As an insured with Student Resources, there is no consultation fee for this service. Every communication with a provider is covered 100% during your policy period.

*Available to Member Students and their covered Dependent; age restrictions may apply, depending on your state.
