This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor's office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor's office, urgent care facility, or emergency room. As a Member with Student Resources, there is no consultation fee for this service.* Every call with a HealthiestYou doctor is covered 100% during your policy period. You can learn more about this benefit and how to use it in My Account.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your Student Health Center first before using this service.

HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*Available to Member students and their covered Dependents; age restrictions may apply. If you call prior to your effective date of your coverage under the insurance plan, you will be charged a service fee before being connected to a board-certified physician.

HealthiestYou: Virtual Counselor Access

Starting on the effective date of your coverage under the student insurance plan, you have access to mental health providers through a national virtual counseling service.* Psychiatrists, psychologists and licensed therapists are available to you through a variety of communication methods, including phone and video.

When you sign up, you'll complete a questionnaire, choose your provider and select a date and time for your appointment. Appointments are available 7 days a week. Visits are secure, discreet and confidential, and you have ongoing support with the same provider.

As a Member with Student Resources, there is no consultation fee for this service. Every communication with a provider is covered 100% during your policy period.

*Available to Member students and their covered Dependents; age restrictions may apply, depending on your state.
