

UOPI Student Health Insurance

How Your Plan Works at the UOP Student Health Services

1

The UOPI Student Health Insurance Plan has a Student Health Center Benefit

- UOP Health Services claims are paid at 100% for covered medical services
- The plan deductible, copays and coinsurance are waived

2

Not All Services are Submitted to Your Insurance

- Health Services will submit claims to Wellfleet for immunizations only
- Other services provided by UOP Health Service, such as labs (i.e., blood draws) will require you to pay out of pocket at the time of your visit and then submit a claim form to receive reimbursement from Wellfleet

3

Wellfleet Claim Form & Reimbursement Process

- Ask Health Services for a receipt of payment
- Complete the Wellfleet Claim Form
- Mail the completed Claim Form and a copy of your receipt to Wellfleet for reimbursement to:
PO Box 15369
Springfield, MA 01115-5369
