STUDENT HEALTH CENTER REFERRAL

Where available, the Insured Student should first use the resources of the Student Health Center (SHC) where Treatment may be administered or a referral may be issued that verifies that the services were not available at the SHC. The Insured Student is then free to seek services outside the SHC. Covered services that receive prior approval or referral will not be subject to the Deductible. A referral issued by the SHC must accompany the claim when submitted.

A SHC referral for outside care is not necessary **ONLY** under the following conditions:

1. For an Emergency Medical Condition. The student must return to the SHC for necessary follow-up care;
2. When the SHC is closed;
3. For medical care received when the student is more than 50 miles from campus;

Additionally, no authorization or referral requirement will apply to obstetrical or gynecological care provided by In-Network Providers.

The applicable Deductible(s); Coinsurance and Copayment(s) shall apply to all of the exceptions to the referral requirement shown above.

A written referral from the SHC is recommended for any follow-up care, with a provider other than the SHC, after Emergency Services.
