2022–2023 Student Health Insurance Plan for Wake Forest University School of Medicine

Who is eligible to enroll?

All enrolled students are automatically enrolled in this insurance plan and the premium for the coverage is added to their student account, unless proof of comparable coverage is furnished.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse or Domestic Partner and dependent children under 26 years of age. See the Definitions section of the Certificate for the specific requirements needed to meet Domestic Partner eligibility.

The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

- 1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
- 2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:

 - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.
 - c. On the date the Named Insured is required by court or administrative order to provide health coverage of a dependent child without regard to any enrollment season restrictions.
